## This is my Bible.

It is a lamp unto my feet and a light unto my path.

It tells who I am, what I can

become, and where I am going.

It renews my mind, changes my heart,

and refreshes my soul.

It is my daily bread.

By faith I will believe its promises,

obey its commandments, and honor

its principles in my life.

With the Bible as my guide, I will walk by faith and not by sight.
