Dr. Shari Baskin

Will speak on the theme of

"Uses or Excuses"?

How God is Using Women in the Church

Dr. Shari Baskin was saved at an early age and has served the Lord in various teaching and service capacities over the years while simultaneously filling administrative assistance and management roles in the corporate workplace. After her first husband went to Heaven, the Lord brought Shari and her husband Jack together. Currently they serve local churches and church planters around the world, providing training and encouragement toward the spread of the gospel.
