Great News!!! A local company has found the glass we need to repair the 2 windows in the auditorium and will also replace the glass in the door. The cost for all 3 is \$1,500.00.

More News!!! We have found a company that will repair the damage on both the auditorium and the 2 story building for an estimated cost of \$900.00. He has already repaired the auditorium. These needs are above the tithes and offerings we need weekly. HBC needs your help! **To help write "REPAIR" on your envelope. Let's give a special offering together so we can meet the need.**
