The History of Veterans Day

- **From Armistice Day to Veterans Day**
- The American effort during World War II (1941-1945) saw the greatest mobilization of the U.S. Army, Navy, Marines and Air Force in the nation's history (more than 16 million people); some 5.7 million more served in the Korean War (1950 to 1953). In 1954, after lobbying efforts by veterans' service organizations, the 83rd U.S. Congress amended the 1938 act that had made Armistice Day a holiday, striking the word "Armistice" in favor of "Veterans." President Dwight D. Eisenhower signed the legislation on June 1, 1954. From then on, November 11 became a day to honor American veterans of all wars.
