"My Lord and my God"

God is more than a title. He is personal, present, and real in the moments we sometimes forget to notice.

"My Lord and my God" isn't just a phrase.

It's a declaration of trust, awe, and surrender, even when life feels uncertain or overwhelming.

Acknowledging Him as Lord and God reminds our hearts who is truly in control.

He sees what we cannot, holds what we cannot, and loves deeper than we can imagine.

In every joy, every struggle, every quiet moment, He is working for our good, inviting us to lean into His wisdom and care.

When we speak these words, it's more than devotion. It's alignment. It shifts our perspective from fear to faith, from striving to trusting, from chaos to calm.

Let this truth sink in today: He is yours, fully present, and worthy of every part of your heart.
