## ***The resurrection of Jesus Christ is the single greatest event in the history of the world***

I know the resurrection is a fact. How? Because 12 men testified they had seen Jesus raised from the dead, then they proclaimed that truth for 40 years, never once denying it. Every one was beaten, tortured, stoned and put in prison. They would not have endured that if it weren't true.

The evidence for the resurrection of Jesus Christ is more powerful than anything else we believe. By His resurrection Jesus proved He is who He says He is. Be confident in this truth. Stand on the Holy Word of God. Don't sell the world a false bill of goods. Preach the word. Defend the faith. Live the faith.

**Charles Colson**

The resurrection of Jesus Christ from the dead is one of the best attested facts on record. There were so many witnesses to behold it, that if we do in the least degree receive the credibility of men's testimonies, we cannot and we dare not doubt that Jesus rose from the dead.

**Charles Spurgeon**

The resurrection is not merely important to the historic Christian faith; without it, there would be no Christianity. It is the singular doctrine that elevates Christianity above all other world religions.

**Adrian Rogers**

No one can remain neutral regarding Jesus' resurrection. The claim is too staggering, the event too earthshaking, the implications too significant and the matter too serious. We must either receive it or reject it as truth for us. To remain indifferent or undecided is to reject it.
