Today is FLAG DAY

Flag Day is a holiday celebrated on June 14 in the United States. It commemorates the adoption of the flag of the United States on June 14, 1777, by resolution of the Second Continental Congress. The Flag Resolution stated "That the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

Train up a child in the way he should go:

Proverbs 22:4-6

My Grandpa told me these 7 Life Lessons

1. ***Never say anything in anger - words leave scars deeper than wounds.***
2. ***If you lose money, you lose something:
If you lose time, you lose everything.***
3. ***A calm mind wins more battles than a loud voice ever will.***
4. ***The person who controls their tongue controls their future.***
5. ***Protect your family even when they're wrong - correct them later, but never embarrass them outside.***
6. ***Most problems disappear when you stop reacting and start thinking.***
7. ***Choose peace over being right - it saves relationships and saves years of regret.***

*Even so the tongue is a little member, and boasteth great things.
Behold, how great a matter a little fire kindleth!* James 3:5;
