FAITH PROMISE WORKS

Faith Promise is a simple way for every believer to participate in global missions. It is a commitment made between you and God to give above your regular tithes and offerings for the purpose of reaching the world with the Gospel of Jesus Christ.

The key word is faith. By FAITH we PROMISE to give to Missions. Believing God will provide, we promise, make a commitment to give.

As you pray, God may place a specific amount on your heart to give weekly, monthly, or throughout the year. When we respond in faith, missionaries are sent, people are saved, churches are planted, and lives are changed.

Faith Promise is simply asking God, ‘What would You like to give through me?’—and then trusting Him to make it possible.

Purpose and Impact of Faith Promise Missions Offering

- Enables **consistent, long-term missionary support.**
- Encourages believers to **grow in faith and generosity.**
- Results in **greater missions giving** than traditional methods.
